Listone Giordano used production waste to create the Scrap parquet flooring. Visit: [www.listonegiordano.com](http://www.listonegiordano.com)

Frag's Quattro is a coordinated range of poufs and accent tables whose leitmotif is represented by the curved metal tubing of the base, in balanced contrast with the seat cushion and support surfaces. Visit: [www.frag.it](http://www.frag.it)

Cassina introduced a new version of the 1969 Soriana, using BioFoam and recycled PET. Visit: [www.cassina.com](http://www.cassina.com)

Hdsurface's Argille is a completely natural trowelled covering created by blending clay, vegetable cellulose fibre, natural lime and micronised powdered marble. Its granular composition creates richly wrinkled surfaces that transform reflected light into a suffused gleam. Visit: [www.hdsurface.it](http://www.hdsurface.it)

Living Divani's Lemni armchair combines a suspended seat in saddle leather, balanced on a metal structure in black painted tubular steel, with a backrest roll cushion. Visit: [www.livingdivani.it](http://www.livingdivani.it)
